BOOK OF LINGERIE FLASHBACK

SEPTEMBER/OCTOBER 1989

Eloise Broady was a little girl from Texas with a big dream—to make it in Hollywood. As part of her plan, like many beautiful girls before her, she sought the PLAYBOY spotlight to propel her to stardom. And while she was crowned Miss April 1988, she never won the Oscar she dreamed about. Eloise's *Book of Lingerie* cover girl debut came with the September/October issue, where she shared the stage with several of her Playmate sisters, including Miss January 1987 Luann Lee, Miss July 1988 Terri Lynn Doss and Kata Kärkkäinen, Miss December of that same year. If you'd like to see more of Eloise, her Playmate pals and a sexy selection of models, you can order this and other back issues through our Website—www.playboyse.com.

The Bare Facts

ANGEL ANDERSON Our cover girl claims she's confused by men's confusion about women. "What's there to be confused about? Who doesn't love nonstop shopping and fuzzy little animals?" And while she likes to hit the mall as much as the next girl, she dislikes excess. "Too much of anything makes me crazy. I spend a lot of time collecting everything I have no use for and giving it to people who do." Vital stats: 5'6", 110 lbs., 34-22-33. *Andrew Goldman, 4-5, 6, 7.*

ELISA BRIDGES Here's what she doesn't want in a man: "A fantasizer—someone who talks about doing something a lot but never does it for real. Or an arrogant guy—even if he is a rock star!" As for what she wants, it's pretty basic: "He has to be good to me and considerate. It isn't all about looks, but there has to be something there that attracts me to him, whether it's his personality or his smile and eyes." Vital stats: 5'6", 104 lbs., 32-22-32. *Mizuno, 8, 9, 10-11.*

JILLIAN SUNDEEN At 5'9", this January 2001 Cyber Girl of the Week admits that wearing three-inch stiletto heels can intimidate some suitors. "High platforms are my favorites—I always wear them to clubs. Of course, I usually tower over everybody." *Mizuno, 12, 13, 14-15.*

GEORGIE BELL Already the recipient of several contemporary dance awards, Georgie is now turning her attention to acting, with hopes of following in the footsteps of her celebrity role model, Jennifer Lopez. Best recipe: Spicy pasta. Best read: *Lord of the Flies*. Dream machine: Porsche Boxster. Vital stats: 5'4", 100 lbs., 34B-24-34. *Byron Newman, 16, 17, 18-19.*

ALEX WOODS An outgoing, adventurous young woman who enjoys a good laugh and hard work, Alex lives by the motto "Just do it—and worry about it later." Next up on her what-me-worry schedule? "Having sex while parachuting out of a plane." *Byron Newman, 20, 21.*

VERONIKA ZEMANOVA Her *Voluptuous Vixens* cover brought an avalanche of questions from lovestruck readers about this stunning Czech import. Save your stamps—here's all you need to know: She's 26, she likes sushi, photography, boxing, Chanel No. 5 and men—especially the strong, muscular, tanned, dark-eyed type "who show women respect. I'm totally turned off by guys who have to be in control." *Gen Nishino, 22, 23, 24-25, 26, 27, 28-29.*

ANGELA LITTLE What motivates Miss August '98? "Believe it or not, fear inspires me—not the conventional type of fear, but the fear of being 60 years old and not having done the most I could with my talents." To that end, she's been hitting the audition trail. "I'm very superstitious about it. I wear exactly what I wore to a successful audition for the next one, and I try to duplicate everything I did on the day that I impressed the casting director." Her talent and charm have won her several movie roles, but she says it's her "crazy sense of humor and spontaneity" that win over men's hearts. "And I snuggle really well. I like to have the man's back turned to me, then I throw my leg over his legs and wrap my arms around him." *Andrew Goldman, 30, 31, 32, 33.*

TERRI JONES Blue eyes are a nice bonus, but a sense of humor is the primary requirement for a chance to hang out with this 21-year-old Welsh/English mix. In general she gets along nicely with men, but admits that she can't figure out "why they're so untidy!" On the career front, Terri has showbiz ambitions, hoping to become "a superstar DJ, producer or personal trainer to the stars." Vital stats: 5'3", 106 lbs., 32D-23-32. *Byron Newman, 34, 35.*

APRIL HANNA Born in Canada, raised in Hawaii and settled in Texas, April showed up for our Austin Casting Call, wowed our staff and blew away visitors to the Cyber Club. In this, her first SE appearance, it's not hard to see why. *Andrew Goldman, 36-37, 38-39, 40-41.*

PETRA VERKAJK Her Website—www.petracentral.com—keeps her close to home, but when she wants to bust loose she likes to go dancing. "I get a group of my friends together and we all hit a club. It's fun when there's a bunch of us, because we all watch out for one another." How does a guy make Miss December '89 feel sexy? "By paying attention to me—maybe running his fingers through my hair or calling me a few times during the day to see what I'm doing. If he surprises me with a little gift, that's always cute and let's me know that he was thinking of me. Also, rubbing my feet never hurts!" Vital stats: 5'8", 125 lbs., 36DD-24-35. *Mizuno, 42, 43.*

JURGITA TVARIJONAITA Still a little insecure about her English, this Lithuanian-born beauty admits language snafus can be a problem on dates. "I have a tendency to talk too much and tell too many secrets on a first date. But since my English isn't very good yet, I think it all comes out funny, and the poor guy doesn't understand what I'm saying." *Byron Newman, 44, 45, 46-47.*

ZDENKA MICKA Klutzy model moment of the month: "I had just gotten my motorcycle license and wanted to make an impressive arrival where my date was meeting me. Unfortunately, I misjudged my speed going around a corner and ended up hugging the curb instead of him." Despite this mishap, Zdenka remains a speed freak and is determined to realize her dream of flying in an F-18. Vital stats: 5'10", 128 lbs., 34C-24-34. *Ivan Otis, 48, 49, 50, 51.*

SYDNEY MOON You have to admire Sydney's open-mindedness and candor. "I date both men and women, so it's very exciting for me to shoot with other girls—a turn-on, actually. Probably the most fun I had on a girl-girl shoot was the *Wet & Wild 9* video [available at playboystore.com]. Playmate Jennifer Rovero and I soaked in baby oil and rolled around on a specially made clear water bed. Can't get much better than that!" *Mizuno, 52, 53, 54-55.*

DITA VON TEESE Being famous for her retro Thirties-style clothes and fetish getups in magazines and on Websites, we wondered what Dita wears to the supermarket. "My uniform is a slip that's meant to be lingerie, and I throw a sweater over it and call it an outfit." Despite her unorthodox style, her future plans are surprisingly mainstream. "In 10 years I'd like to be living in my dream house, married, with some really cute kids. I'll still be answering e-mail and signing old photos of myself, but I just want to be happy with my own family." *Guido Argentini, 56, 57, 58-59.*

RACHEL BAKER She doesn't recommend it as a way to earn etiquette points, but she once bailed out of a miserable first date by "leaving with my girlfriend instead of him." Her two-word suggestion for guys who want to meet her? "Stop staring!" *Byron Newman, 60, 61, 62-63, 64-65.*

KERISSA FARE Her strong point? "My risk taking. I'm willing to do almost anything. Posing for Playboy, for example, requires a certain amount of risk. A lot of people don't have the nerve to pull it off, but it's really just a confidence thing. I don't think that I'm all that different from anybody else—it's just where I want to go in life." Her weakness? "I procrastinate a lot, and then I'm rushing around at the last minute. I can't figure out why I keep doing this. I mean, I plan things so I won't have to run around like crazy, but I always end up doing it!" *Mizuno, 66-67, 68, 69.*

NICOLE WHITEHEAD Here are a few of her interests: horseback riding, trick riding, painting, writing, drawing, kickboxing, baton twirling, fishing, gardening, storm chasing and watching football. If things get dull, she may satisfy her fascination with speed, height and danger by earning her helicopter pilot wings. "I was definitely a tomboy as a kid. I ignored my Barbie dolls and played with G.I. Joe and caught frogs with the boys. It never dawned on me that I couldn't do everything they could." If there's anything that confuses her about males, it's, "How do they all seem to know the same handshake?" Vital stats: 5'5", 110 lbs., 34-23-34. *Mizuno, 76, 77, 78-79.*

MICA BOWLER Although "tearful and troublesome" as a kid, her temperament has improved considerably with age. Now she's "easygoing, outgoing and confident." But this newly acquired confidence was severely tested on a recent date. "I wore the wrong outfit to a black-tie dinner. Actually, I was wearing hardly anything at all! It was a bit awkward." *Byron Newman, 80-81, 82-83.*

ARLENE LOPEZ She doesn't date frequently because "I don't think my boyfriend would like that too much," but if she did, her preference is for confident, ambitious and smart guys. "Confidence should not be confused with cocky. I really can't be around men who brag about themselves or boast about who they know or how many toys they have." *Jarmo Pohjaniemi, 84, 85, 86, 87.*

JEAN SCOTT As she waits for the right vehicle to launch a career in singing or acting, Jean models and works for an ad agency, while also studying voice, cello, piano and guitar. On a personal level, she makes no bones about her interest in sexual role-playing and fantasy. "I love watching X-rated films with a guy. It really perks up the bedroom!" *Gen Nishino, 88, 89, 90, 91.*
